

## 2013 PHOTO DAYS!

In October, the Goodwin House Foundation invited Goodwin House staff to participate in the first-ever *Photo Days* organized by the Foundation. More than 100 staff had their photos taken by a professional photographer, and many included their families! The Foundation offered this event free of charge to familiarize staff with the Foundation's Campaign for the Fellowship Program, *Fulfilling The Promise – The Key to the Future*.

*Photo Days* followed the very successful ice cream social in August called, *Here's The Scoop!* Look for the Foundation's next event for staff – *Cupcake Day* — in either January or February, 2014.

The photos included on this page, are some of the many taken on *Photo Days*!
